

# Nevada's TOP 100 Occupations

## RESEARCH AND ANALYSIS BUREAU

The Department of Employment, Training & Rehabilitation's (DETR) Research and Analysis Bureau is Nevada's premier source for workforce and economic information and analysis. The Research and Analysis Bureau (R&A) provides a wealth of labor market and career information via its Nevada Workforce Informer and Nevada Career Information System websites.

Access workforce information via Workforce Informer at [www.nevadaworkforce.com](http://www.nevadaworkforce.com)

Information and resources provided on this site include:

- Labor force and unemployment statistics
- Industry employment estimates
- Wage estimates by occupation
- The Nevada Economy In Brief, a monthly narrative of Nevada's economic conditions
- Employment projections by occupation and industry
- Economic indicators and topical analysis

Access extensive Nevada and national career information geared towards jobseekers and students via the Nevada Career Information System (NCIS) at [www.nvcis.intocareers.org](http://www.nvcis.intocareers.org)

Information and resources provided in this career guidance system include:

- Occupation descriptions (tasks, skills, wages, job outlook, licensure, preparation required and more)
- Nevada colleges, universities, technical and trade schools and apprenticeship programs
- National colleges and universities
- Job search and resume information and tools
- Assessments and sorting tools designed to help users make informed career decisions

Contact the Research and Analysis Bureau at (775) 684-0450 if you have questions or need additional information.
