Data Dashboard Page

In effort to limit the overall length of this report, an interactive report was created that includes weekly data for all programs. This data is available for download on the "Data" tab of the Weekly Claims Characteristics by Program report below.

Weekly Reports

Weekly Claims Dashboard

The claims data contained on the ETA 539 report are used in current economic analysis of unemployment trends in Nevada.

Weekly Claims Characteristics by Program

This report provides weekly information about the characteristics of claimants in Nevada for all programs.

Weekly Claims by County

The claims data contained in this dashboard provide unemployment insurance trends by county in the State of Nevada. This dashboard allows for exploration of these trends.

Monthly Reports

Monthly Claims Dashboard

The ETA 5159 report contains monthly information on claims activities and on the number and amount of payments under state unemployment insurance laws. The data on this report provides the basis for many common UI measures such as average duration, exhaustion rates, weeks compensated, and benefits paid. This dashboard allows for exploration of these measures and trends in the State of Nevada.

Monthly Claims Demographics

The ETA 203 report provides information about the characteristics of Unemployment Insurance (UI) claimants in Nevada. This data is useful in describing the population of claimants and determining how that population changes over time and under various conditions. It can also be compared with characteristic figures of the total unemployed as published by the Bureau of Labor Statistics (BLS).
Glossary of Terms

**Initial Claim**: Any notice of unemployment filed to request a determination of eligibility for unemployment insurance benefits, or to begin a subsequent period of eligibility within a period of eligibility. Initial claims measure emerging unemployment in the state.

**Additional Claim**: An initial claim which reopens a previously existing claim, where the claimant stopped filing due to intervening employment.

**Reopened Claim**: A reopened claim is filed if you have previously filed a claim but never submitted any weekly claims.

**Continued Claim**: After an initial claim determines a claimant is eligible for unemployment insurance benefits, the claimant’s weekly benefit claims are counted under continued claims. Continued claims in aggregate represents the insured unemployed receiving benefits in the state, and is used for economic purposes.
